Re: Settlement of Current NARCO Claims

Dear Mr. Vaughan:

This letter (the "Agreement") memorializes the terms and conditions pursuant to which Honeywell International Inc. ("Honeywell") and all persons listed on Exhibit A hereto (the "Current Claimants"), acting by and through Cascino Vaughan Law Offices Ltd. ("Cascino Vaughan") as their counsel, have agreed to settle the claims (the "Current Claims") of the Current Claimants against Honeywell and/or North American Refractories Company ("NARCO") that allege that the Current Claimants were exposed to asbestos-containing product(s) manufactured or distributed by NARCO or its predecessors (the "NARCO Product Line"), which exposure contributed to the cause of the Current Claimants (or claimants' decedents') personal injury or death.

This Agreement is premised on the following facts and circumstances:

Cascino Vaughan shall notify Honeywell in writing by November 30, 2003 of the names and disease categories of any Current Claimants that choose to opt-out of the settlement addressed in this Agreement.

WDCSP 777875-1 037354 0021

a. Pursuant to the Purchase Agreement between NARCO Investors, Inc., Allied Corporation and Allied Canada, Inc. dated October 24, 1985, as amended, Honeywell as successor-in-interest to Allied Corporation may have exposure in connection with potential liability for certain products included in the NARCO Product Line;

b. NARCO filed a petition for protection under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Western District of Pennsylvania (the "Bankruptcy Court") on January 4, 2002, and all claims against NARCO were automatically stayed;

c. The Bankruptcy Court issued a Temporary Restraining Order on January 4, 2002 staying the commencement or prosecution of all actions against Honeywell arising out of the NARCO Product Line;

d. Honeywell has proposed to participate as the principal funder of a trust to be established pursuant to Section 524(g) of the United States Bankruptcy Code (the "Trust"), to which all present and future claims against NARCO and/or Honeywell arising from the NARCO Product Line will be channeled;

e. Cascino Vaughan, counsel for the Current Claimants, have conducted investigations into the facts of each of the Current Claims and have concluded that a settlement with Honeywell on the terms set forth herein is in the best interests of each of the Current Claimants;

f. Honeywell, without conceding liability or making any admission with respect to any legal or factual issue, wishes to avoid further litigation of and to resolve the claims of the Current Claimants on the terms set forth herein, in exchange for a commitment by the Current

Claimants that they will support the establishment of a trust under Section 524(g) of the United States Bankruptcy Code in accordance with the principal terms set forth in the February 12, 2003 draft of the Asbestos Personal Injury Settlement Trust Distribution Procedures (the "Draft TDP", attached hereto as Exhibit B²).

Cascino Vaughan, as counsel for the Current Claimants, and Honeywell International Inc. thus stipulate and agree that all of the Current Claims shall be compromised and settled, and are settled as of the date of the execution of this Agreement, on the following terms and conditions.

1. No Admission of Liability. Neither this Agreement nor any of its provisions nor evidence of any negotiations or proceedings in furtherance of this settlement shall be offered or received in evidence in any action or proceeding as an admission or concession of liability or wrongdoing of any nature on the part of Honeywell or NARCO or anyone acting on their behalf, and Honeywell specifically denies any such liability or wrongdoing.
 2. Effectuation of Agreement. All parties to this Agreement and their counsel shall exercise their best efforts (a) to promptly seek any required orders of all Courts with jurisdiction over the Current Claims to secure the complete and final dismissal with prejudice of Honeywell, NARCO and any and all of their officers, directors, employees, representatives, agents or attorneys from any actions filed by the Current Claimants, and (b) to effectuate this Agreement. Regardless of whether the Bankruptcy Court approves the Trust, counsel for the Current Claimants shall refrain from initiating or prosecuting any legal action on behalf of a Current Claimant against Honeywell, other than for breach of this Agreement, or, with respect to Discontinued Products (as that term is defined in the Purchase Agreement between NARCO
- ² All references in this Agreement to the Draft TDP shall be understood to mean the Draft TDP, or any subsequent version of the TDP that is substantially similar to the Draft TDP and is

Full Scheduled Value must provide "compelling evidence" that an asbestos-containing product manufactured or distributed by NARCO or its predecessors was present at the worksite at which the claimant alleges he or she was exposed, and Current Claimants seeking to pre-qualify for the Reduced Scheduled Value must provide "credible evidence" that an asbestos-containing product manufactured or distributed by NARCO or its predecessors was present at a worksite at which the claimant alleges he or she was exposed to that NARCO product. The terms "compelling evidence" and "credible evidence" are defined in Section 4.3(b)(3) of the Draft TDP, and shall have the same meaning under this Agreement as in the Draft TDP.

b. In addition, each Current Claimant must provide medical and exposure evidence sufficient to show that the claimant meets all criteria set forth in the Medical/Exposure Criteria column of Section 4.3(b)(3) of the Draft TDP. All medical and exposure evidence offered in support of a claim must satisfy the evidentiary requirements set forth in Section 4.7 of the Draft TDP.

5. Payment on Current Claims.

a. In exchange for a Release from each Current Claimant, the parties agree that, upon presentation of the requisite exposure and medical evidence set forth in Section 4 above, Henrywell will pay each Current Claimant the Settlement Value set forth below for the Disease for which the Current Claimant qualifies for compensation under this Agreement in accordance with the schedule set forth below, as follows:

Mesothelioma (Draft TDP Level VII)

Lung Cancer (Draft TDP Level VI)

Other Cancer (Draft TDP Level IV)

Asbestos-Related Nonmalignant
Disease (Draft TDP Level I, II, or III)

Honeywell shall pay (i) one-half (1/2) the amount due to each Current Claimant who qualifies for payment for Mesothelioma, Lung Cancer or Other Cancer, and (ii) the full amount due to each Current Claimant who qualifies for payment for Asbestos-Related Nonmalignant Disease, in a single payment to be made no later than ninety (90) days following submission of the documentation required to support the claim under this Agreement.

b. If the Bankruptcy Court approves a plan of reorganization for NARCO that includes the Trust by June 30, 2004, Honeywell shall have no further payment obligation under this Agreement. In the event the Bankruptcy Court does not approve such a plan of reorganization by June 30, 2004, Honeywell shall pay the second one-half (1/2) of the Settlement Value to each Current Claimant who qualifies for payment for Mesothelioma, Lung Cancer and Other Cancer, within 30 days after June 30, 2004.

6. Effect of Payments. Honeywell's payment to a Current Claimant of the applicable Settlement Value, or portion thereof, for the Disease for which such claimant qualifies for payment in accordance with Section 5 above shall fully satisfy Honeywell's payment obligation with respect to such claimant under the terms of this Agreement and under the terms of any agreement to settle with Honeywell or NARCO pending as of January 4, 2002, where applicable.

7. Establishment of Trust. Current Claimants who are to receive payment under this Agreement, acting by and through Cascino Vaughan, agree that they, as present claimants with alleged claims against the Trust to be established in connection with the NARCO bankruptcy, will vote in favor of establishment of the Trust under Section 524(g) of the United States

Settlement Agreement. With such notice, provided the Current Claimant has included with his/her claim submission, or thereafter provides, a Trust Release (in addition to the Honeywell Release), Honeywell shall provide the Trust the appropriate "proof of claim form" and Trust Release, so that each such claim can be placed in the FIFO Payment Queue of such Pre-Established Claims in accordance with the terms of the Draft TDP.

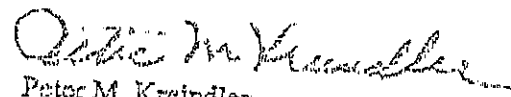

9. Arbitration. All parties to this Agreement agree to arbitrate all disputes arising out of or relating to this Agreement, including any disputes concerning the eligibility of a Current Claim for payment or the appropriate amount of such payment, in accordance with the terms set forth herein. In the event of arbitration of any issues associated with a Current Claim, the parties agree to cooperate to make available to the other parties any information pertinent to the sufficiency of the claim. A panel of three arbitrators shall be chosen according to the rules of the American Arbitration Association. Venue for arbitration shall be in New York and the arbitrators shall apply New York law. The arbitrators shall render a final decision according to the rules and practices of the AAA based on the written submissions of the parties, within 45 days of submission of any dispute to them. The parties agree to be bound by the decision of the arbitrators.

10. Termination. Honeywell shall have the option to terminate this Agreement, and shall have no obligation to pay any Current Claimant any amount hereunder, in the event that by November 30, 2003 (a) equal to or greater than 5% of the Current Claimants with Asbestos-Related Nonmalignant Disease have declined to settle with Honeywell hereunder, or (b) equal to or greater than 2% by disease of the Current Claimants with Mesothelioma, Lung Cancer or Other Cancer have declined to settle with Honeywell hereunder. In the event that Honeywell exercises this option to terminate, Honeywell shall so notify counsel for the Current Claimants in

18. Legislation. The enactment of federal legislation that provides for a trust fund or other alternative mechanism for resolution of asbestos personal injury claims shall supersede this Agreement, and this Agreement shall become null and void, and the parties shall have no further obligations hereunder.

Please countersign this letter below to memorialize your agreement, on behalf of the Claimants, to the terms and conditions hereof, and to finalize this Agreement.

Very truly yours,
